

Parking Information

▶ University Health System provides staff parking at each Health System facility. Staff must follow all parking rules and regulations.

- Staff should park only in authorized areas. Parking is prohibited in/on: fire lanes, red curbs, patient loading and unloading areas, or areas where your permit is not authorized.
- Parking in visitor parking areas is prohibited.
- University Health System provides sanctions for employees who violate the parking policies and regulations. In many cases, staff will be required to pay mandatory fees that are associated with the violation. These include:
 - Written Health System parking violations
 - Justice of the Peace citations for violations in Handicap parking areas
 - Booting of vehicle
 - Towing of vehicle
 - Possible termination for excessive violations

Facility-Specific Parking Information

▶ *University Hospital*

- Staff and house staff may park in the West Garage or in Surface Lot 1.
- Faculty may park in the South Parking Garage.
