

**WHO CAN PARTICIPATE?**

Students ages 4-12 who attend public schools.

**THEME:**

Your drawing must give a positive message about how you can prevent injuries. Injury prevention topics include:

- Traffic safety
- Sports safety
- Violence prevention
- Water safety
- Stranger danger
- Fire prevention
- Poison safety
- Safety during play time
- Bullying prevention
- Internet safety

**JUDGING:**

- Entries will be divided into three age groups: 4-6; 7-8; 9-12
- Each age group will have a 1st, 2nd, 3rd place and honorable mention winner.

Students must clearly print their name, age, phone number, teacher, school and circle your district on the entry form. Entries must be received between January 1, 2021 and February 29, 2021.

See back panel for more information.
